

Vision Mission

Rooted in the Christian Gospel, Catholic Charities of Idaho contributes to the Church's mission "To bring Good News to the poor, to proclaim liberty to captives, to set the downtrodden free, and to proclaim the Lord's year of favor".

The mission of Catholic Charities of Idaho is to practice works of charity, service and justice, through delivery of quality social services, advocacy for social justice, and collaboration with other organizations to solve social problems and build resilient communities.

Dear Brothers and Sisters in Christ,

Catholic Charities is one of the primary ministries of the Church; thus, establishment of a Catholic Charities of Idaho has been a priority for me in our Diocese. I am proud of the accomplishments of the agency in its first five years. May God continue to bless everyone that has supported the development of the agency, as well as the thousands of people served. I thank the Board, staff and volunteers for their dedication to this compassionate service.

Sincerely,

Michael P. Driscoll

Most Reverend Michael P. Driscoll, MSW, DD
Bishop of Idaho

Dear Friends,

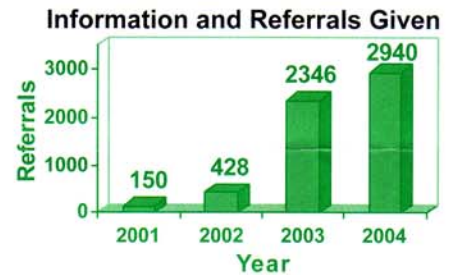

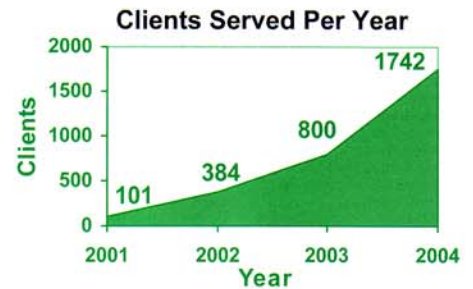

Catholic Charities of Idaho will mark its fifth "birthday" in July, 2005. The agency has served several thousands of people and has collaborated with an amazing range of organizations and groups across the state to respond to complex social problems and needs in our communities. I am most grateful to our skilled and compassionate staff, our generous and enthusiastic volunteers and our dedicated, visionary Board, all of whom have contributed immensely to the remarkable progress we have made in providing help, creating hope and building community in Idaho.

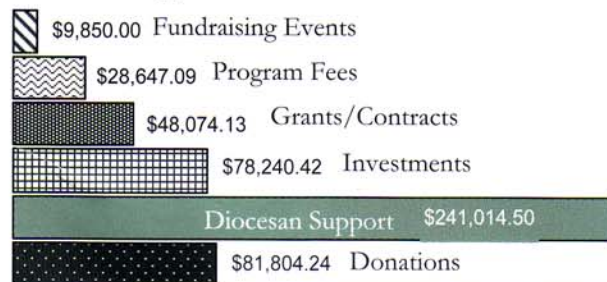

Sincerely,

Marie D. Hoff
