CATHOLIC CHARITIES OF IDAHO

1501 S. Federal Way I Suite 450
Boise, Idaho 83705

www.CCIdaho.org

Our Mission . . .

Catholic Charities of Idaho
advances the dignity
of individuals, families,
and communities by
strengthening families,
advocating justice, and
engaging the community to
serve the common good.

In order to reduce our costs and ensure good stewardship, we will not be mailing a copy of the Annual Report. It will be available on our website at www.ccidaho.org or by request.

Bishop Michael Driscoll will be sponsoring a Catholic Charities of Idaho Sunday Special Collection on September 25-26 at all parishes in lieu of our regular Annual Report appeal.

Thank you for your generosity and support!

Transforming lives
through acts of charity
and justice

Dear Friends in Christ,

This year's annual report speaks to us about **transforming** Families -- or better translated "Familias Poderosas" (Families with Power) -- a program provided in collaboration with Casey Family Services and Kincare Collaborative. "After having raised our own children, we found ourselves caring for our three youngest grandchildren. Powerful Families is important to our family because we continue learning something new each time we attend. Knowledge is power, and we should never stop learning." When asked what they enjoy best about the classes, Lupe responded, "The presenters." This past series, several community presenters spoke about various topics including diet and nutrition, steps in opening a small business, advocating for your children in an educational setting, and understanding Al-Anon. "If I was just sitting at home, I would not have the opportunity to learn about these important subjects. These classes have provided our family with so many opportunities that I can't imagine how lost I would be without Casey Family Services and Catholic Charities."

In addition, we also have been working on **transforming** our agency as we implement a new strategic vision to ensure that Catholic Charities builds sustainability, engages community, enhances family strengthening services, and continues to be part of this community for the next 100 years!

Mother Theresa's daily reflection says that "what we are doing is just a drop in the ocean, but if that drop was not in the ocean, I think that ocean would be less because of that missing drop". We hope that our contribution to the over 15,000 people we served this past year created a drop in that ocean. We invite each of you to help us continue our work through your time, talent, and treasure.

With grateful hearts,

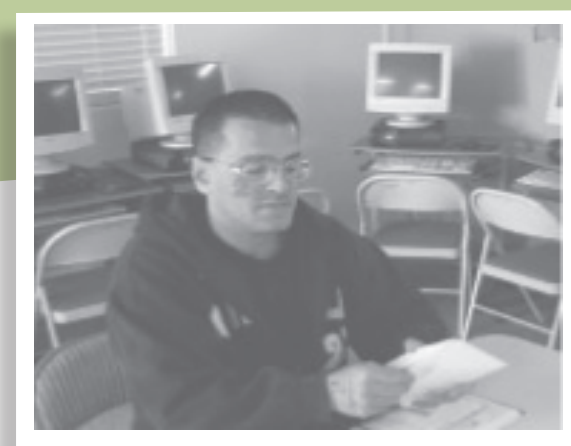

Most Reverend Michael P. Driscoll, MSW, DD, President
Deacon Pierce Murphy, Chair
Rosio Gonzalez, LMSW, Executive Director

THE GREATEST GIFT OF LOVE . . .

It has been three years since Jose and Lupe Rodriguez first attended Powerful Families -- or better translated "Familias Poderosas" (Families with Power) -- a program provided in collaboration with Casey Family Services and Kincare Collaborative. "After having raised our own children, we found ourselves caring for our three youngest grandchildren. Powerful Families is important to our family because we continue learning something new each time we attend. Knowledge is power, and we should never stop learning." When asked what they enjoy best about the classes, Lupe responded, "The presenters." This past series, several community presenters spoke about various topics including diet and nutrition, steps in opening a small business, advocating for your children in an educational setting, and understanding Al-Anon. "If I was just sitting at home, I would not have the opportunity to learn about these important subjects. These classes have provided our family with so many opportunities that I can't imagine how lost I would be without Casey Family Services and Catholic Charities."

"Together we laugh, cry, and even get angry. We realize that we are not alone and that we do have a voice in our community. Powerful Families has made me not only a smarter person but a stronger person!"

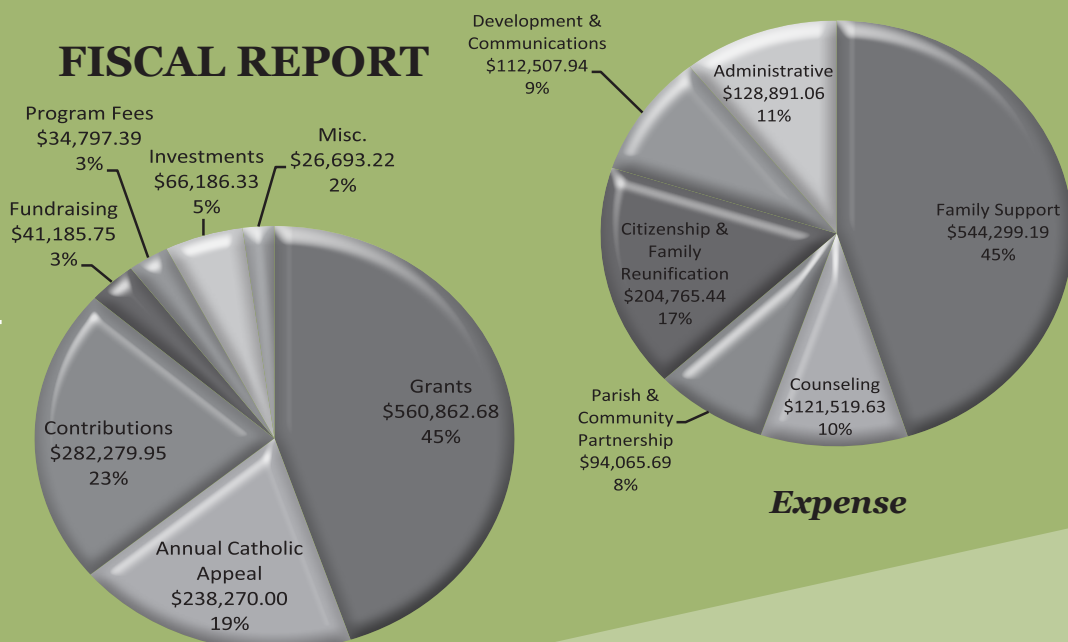

A LIFE TRANSFORMED . . .

I was released from prison on one of the last few days of October 2009. Upon release I was filled with empty hopes of success and a life different from before, one not filled with problems. I had no money, no clothes, and no food. I had lots of reasons to be stressed out, plus winter was coming soon. I knew I needed help.

I was referred to Catholic Charities of Idaho and was told the people there may be able to help me with a food box and clothes. When I arrived the staff at Catholic Charities welcomed me. I explained my problems and they were able to assist me above and beyond what I had hoped. This happened at a time in my life when I thought I had no one to turn to.

At Catholic Charities, Jerry was given another chance! He now has a job and St. Benedict's just donated money to have his gang tattoos removed from his face. We start where the client is and believe every person possesses a human dignity that must be honored and respected. Welcoming the stranger is an essential part of our Catholic works of charity.
